Israel afirma que aproximadamente 90 proyectiles fueron lanzados desde Líbano, sin reportes de víctimas

The Israel Defense Forces (IDF, by its acronym in English) have issued an update on the missile strike launched this morning from Lebanon. In a statement, the IDF informed:

After the sirens that sounded in the north of Israel, a few moments later, approximately 90 projectiles were launched from Lebanon. A number of the projectiles were intercepted and others fell in various areas of the north of Israel. As a result, fires broke out in various areas. The details are being reviewed.

The statements have not been independently verified. It would be the largest strike from Lebanon towards Israel since October 7.

Haaretz reports that **Hezbollah** has claimed responsibility. There are no reports of victims.

Aproximadamente 100 cohetes han sido lanzados desde **Líbano** hacia el norte de **Israel** esta mañana, según informes. Es el mayor ataque individual sobre la línea azul de las Naciones Unidas que separa a Líbano e Israel desde el 7 de octubre. Los medios israelíes informan que no hay víctimas. La ciudad de **Tiberias**, ubicada en la costa occidental del Mar de Galilea, fue objetivo por primera vez durante la guerra.

Un video compartido en redes sociales muestra los impactos de cohetes cerca del Mar de Galilea en el norte de Israel durante el gran bombardeo lanzado desde Líbano. [slots futbol](#)
