A Patent bet is a form of multiple method betting wherein seven bets are placed on three different selections. Patent betting is used to cover all potential outcomes and will offer a return even if only one bet comes in.

Widely compared to the Trixie bet which

consists of four bets, this accumulator bet is slightly different since it is built from three singles, three doubles and a treble.

The Patent bet is predominantly used in

Horse Racing – but available across all sports – and has become increasingly popular because you need only one winner from three selections to see a return for your money.

This is because – unlike in Trixie and Yankee betting – singles are included as well as doubles and a treble.

How does a Patent Bet work?

Backed with William Hill,

this multiple betting method is one of several bets that is known as a ‘full coverage multiple bet’ – a kind of insurance should you miss out on your Treble.

Crucially, only

one of the selections needs to win in order for a return to be achieved on this type of accumulator because it contains contains single bets.

Therefore, you could back three

horses at relatively long odds and still hope to get something back should one win.

That return would, however, be likely to be lower than the initial stake.

If you were

to land just three selections, then the potential returns are great.

This Patent bet

can be placed when you have three possible outcomes selected and can be placed each way. The potential returns are great for landing just three winning selections.

Try out

our patent calculator to work out your potential winnings.

Weekend Patent Bet example |

Potential results

Let's say we've backed these events:

Selection 1 – 1/1

Selection 2 –

1/1

Selection 3 – 1/1

Patent bets:

Bet 1 – Selection 1 (single)

Bet 2 – Selection 2

(single)

Bet 3 – Selection 3 (single)

Bet 4 – Selection 1 and selection 2 (double)

Bet

5 – Selection 1 and selection 3 (double)

Bet 6 – Selection 2 and selection 3

(double)

Bet 7 – Selection 1, selection 2 and selection 3 (treble)

For this example we

will imagine we have backed a Patent bet with the three legs all at evens (not each way), we are having £5 per line so a total bet of £35.

If none of the three win we will

lose £35. If one leg wins then the return would be £10 representing a £25 overall loss,

if two bets win then the return would be £40 making a £5 profit. If all three bets come

in then the return would be £130 meaning a £95 profit, as you'd expect the return jumps a lot if you get all the results correct.

Odds, Tips and picks | Summary

It can be

tempting to bet blindly but it's always best to stick to what you know, avoid what you don't and not to chase losses.

A patent bet is a multiple coverage bet built from three

selections, so it might not be beneficial to add short-priced favourites into a patent.

A Goliath bet requires at least two winning selections for a return.

Football match

The 2024 UEFA Champions League final was the final match of the 2024–21 UEFA Champions League, the 66th season of Europe's premier club football tournament organised by UEFA, and the 29th season since it was renamed from the European Cup to the UEFA Champions League. It was played at the Estádio do Dragão in Porto, Portugal on 29 May 2024,[5] between English clubs Manchester City, in their first European Cup final, and 2012 winners Chelsea. This was the third all-English final in the competition, after the 2008 and 2024 finals.

The final was originally scheduled to be played at the Krestovsky Stadium in Saint Petersburg, Russia. However, due to the postponement and relocation of the 2024 final to Lisbon as a result of the COVID-19 pandemic in Europe, the final hosts were shifted back a year, with the Atatürk Olympic Stadium in Istanbul, Turkey instead planning to host the 2024 final.[6] This was the second consecutive final in Portugal. Two weeks before the final, UEFA announced that it would be relocated to Porto to allow a limited number of fans to attend the match.[5] A capacity limit of 33% was agreed for the 50,000-seater Estádio do Dragão, resulting in an attendance of 14,110.[7]

Chelsea won the final 1–0 for their second UEFA Champions League title, with Kai Havertz scoring the only goal of the game late in the first half.[8] As winners, they earned the right to play against the winners of the 2024–21 UEFA Europa League, Villarreal, in the 2024 UEFA Super

Cup, and also qualified for the 2024 FIFA Club World Cup, winning in both competitions. Chelsea also qualified for the 2025 FIFA Club World Cup through UEFA's champions pathway (the winners of the Champions League between 2024 and 2024). Manchester City also qualified after winning the 2024 UEFA Champions League.[9]

Teams [edit]

diciona tempero, mas não é a principal razão pelas quais as pessoas jogam jogos de no online ou em bac bo bet7k um local ao vivo. Dito isso, às vezes os jogadores ganham muito, e quando isso acontece, eles esperam (razoavelmente) ser capaz de retirar seus ganhos. malmente, este é um processo simples: você leva suas fichas para o caixa ou faz um o de retirada on-line

A estrela de Dallas Mavericks, Kyrie Irving disse que "simplesmente não se encaixava" na lista dos 12 homens selecionados para representar a equipe nos EUA durante os próximos Jogos Olímpicos.

Irving teve duas vezes sucesso com o basquete dos EUA (USAB) – ganhando ouro na Copa do Mundo da FIBA 2014 e nos Jogos Olímpicos Rio 2024 -, além de ter esboçado seu desejo bac bo bet7k fazer parte novamente das listas olímpicas.

Irving foi deixado de fora da lista, já que os seletores optaram pela primeira vez pelo olímpico Steph Curry ; Devin Booker e Jrue Holiday.

Os EUA estão à procura de resgate depois da decepcionante Copa do Mundo FIBA no ano passado, na qual a equipe terminou sem medalha. Apenas Haliburton e Edwards permanecem desse esquadrão

"Desejo bem aos meus irmãos. Eu simplesmente não me encaixei nesta equipe", disse ele a repórteres após o treino de Mavericks na quinta-feira, "O processo deliberativo foi difícil e eu só tenho respeito por esses caras da USAB".

"Neste ponto da minha carreira, acho que meu foco deve ser ganhar um campeonato e no verão apenas vou apoiar esses caras quando tiver uma chance."

Irving então começou a lembrar o antigo formato de seleção para os times nacionais, que ele disse incluir um grupo dos jogadores competindo entre si bac bo bet7k práticas e rabiscos antes das decisões do elenco serem tomadas.

O processo de anúncio deste ano foi certamente diferente, com o diretor-gerente do basquetebol americano Grant Hill viajando pelo país para entregar pessoalmente as camisas da equipe dos EUA a cada jogador selecionado.

"Eu cresci bac bo bet7k um tempo, também onde nós realmente tivemos que tentar para a USAB e nos encontramos como grupo ou colegas de trabalho", disse Irving.

"Eu acho que obviamente o momento é um pouco diferente, mas eu meio sinto falta daqueles dias de apenas ser capaz para reunir todos juntos. quebrar pão e depois competir uns contra os outros Então a deliberação processo acontece no final do quatro ou cinco-dias processos mesmo embora as pessoas sabem quem vai estar na equipe..."

"Sinto falta dessa parte divertida, apenas me reunindo mas desejo bem aos meus irmãos."

A equipe dos EUA realizará um campo de treinamento e jogos expositivos bac bo bet7k Las Vegas a partir do dia 5, antes da viagem para Paris.

A Cerimônia de Abertura das Olimpíadas bac bo bet7k Paris 2024 acontecerá no dia 26 julho, com o jogo masculino começando do próximo.
