When working our way through the Betano bonus, we found that you could pick up a 100% matched bonus without ever entering a Betano promo code. Stick around as we talk you through the rest of our findings.

You may have noticed already from our Betano review that we extensively cover the welcome bonus and ongoing promotions of an online sportsbook. Although bonuses offer no guarantees, they play a crucial role in helping to identify fair and competitive bookmakers.

How to use the bonus - release a 100% matched bonus with Betano

As we've already established, the Betano bonus offers all new users the chance to pick up a 100% matched bonus. To be considered eligible, you'll need to be over the legal age and be completely new to the Betano sportsbook.

After working through the registration process and completing your account, you'll be free to make a qualifying deposit. There is no need to enter a Betano bonus code. For those located in Nigeria, you'll be able to unlock the bonus for as little as 100. However, the currency equivalent may vary depending on your location. At the other end of the scale, you'll find that your Betano bonus is capped at a maximum of 100,000.

Once you've made your qualifying deposit, a matched bonus will be released almost instantly. If it hasn't hit your account within the hour, we would suggest getting in contact with support. From here, you'll be able to work your way through the lobby, find eligible markets, and begin playing through the wagering requirements. Currently, you will have thirty days before your bonus is removed from your account.

Top 5 expert tips to take advantage of the offer - how to get the most out of the Betano welcome bonus

Happy with all that the bonus has to offer? Great. In this next section of our Betano bonus review, we look to offer you five of our finest tips on how to get the most out of the online experience.

Plan ahead: Just as we found with the Bet9ja promo, the Betano welcome bonus does have an expiration date attached. Although thirty days is a fairly substantial timeframe to meet the requisites, you'll still want to give yourself the best possible head start. With this in mind, we would suggest working through the registration process and redeeming your bonus as close to making your first bet as possible. Avoid Skrill and Neteller: Depending on where you access Betano from, the online sportsbook boasts a fantastic range of credible payment methods.

Although this is ideal for those looking to make the most of third-party providers, it can cause

problems when it comes to releasing the bonus. More specifically, those using Skroll and Neteller will find that deposits do not contribute towards the redemption of the bonus. Consider building accumulators: Once you've figured out the best way to fund your account, you'll want to make sure that you meet the minimum odds requirement of 3.0. Although you could go hunting down serious underdogs, it may be beneficial to find yourself a selection of favourites that could be added to an accumulator bet. The more selections you add, the greater your odds; however, relying on a few favourites could prove to be a better choice than praying for an upset. Don't jump the gun: In order to turn your Betano bonus bets into a withdrawable balance, you'll need to play through them ten times. So, it should come as no surprise to see that one of our top tips is focused on waiting for the final whistle. If you opt to cash out your bets, you'll find that they have not contributed to playthrough requirements. Should you opt to make a cash withdrawal before meeting the requisites, you'll find that your bonus is completely removed from your account. Avoid added temptation: Following on nicely from the above, you'll need to avoid picking up any additional promotions until you've played through the welcome bonus. Much like the Parimatch bonus offer, all ongoing promotions at Betano will render the welcome bonus and any progress void.

Frequently asked questions about the bonus - bolster your Betano bonus knowledge
Armed with a few top tips and knowledge of how the bonus works, let's now tie up any loose ends for you in this next section of our Betano bonus review.

Do you need to enter a Betano bonus code? No. At the time of writing, there is no need to enter a Betano bonus code to receive the offer. You will, however, need to opt in and make a qualifying deposit.

When does the Betano bonus expire? After you have made a successful deposit, you will have thirty days to play through the welcome bonus.

When can I withdraw my Betano welcome bonus? You can look to withdraw your bonus after the 10x wagering requirements have been met and the minimum withdrawal limit has been cleared.

Can I use the Betano deposit bonus more than once? No. As you would expect from many of the best gambling sites in Nigeria, the Betano welcome bonus is available for new customers only and can only be used once. Thankfully, after playing through the bonus, you will find a range of ongoing promotions available.

What kind of bets won't contribute towards the bonus? All sports and betting markets contribute towards the bonus, provided the outcome leads to odds of 3.0 or greater. This can be achieved as a single or accumulator bet.

Additional rewards & loyalty programs - what can returning players expect from the ongoing Betano promotions?

As with all of our bonus reviews, we looked beyond the new customer promotion from Betano. After a quick venture through the promotions section of the site, we found a selection of perks and promotions, including ways to boost your odds and the chance to pick up free bonus bets. A few standouts included the accumulator boost, a "boring" 0-0 refund promo, and a dedicated VIP program called Betano Missions. The rewards program works in a very similar way to any other program you may have stumbled across online. As you work your way through the tiered system, you'll unlock a range of additional perks, including free bonus bets, boosted odds, faster payouts, and a dedicated account manager.

Ex-ingeniero de Meta acusa a la empresa de discriminación en el manejo de contenido relacionado con la guerra en Gaza

Un ex ingeniero de Meta presentó una demanda contra la empresa de redes sociales el martes, acusándola de discriminación en el manejo de contenido relacionado con la guerra en Gaza. Ferras Hamad, un ingeniero palestino-americano que trabajaba en el equipo de aprendizaje automático de Meta desde 2024, demandó a la empresa en un tribunal estatal de California por discriminación, despido injustificado y otros delitos en su despido en febrero.

En la demanda, Hamad acusó a Meta de un patrón de sesgo contra los palestinos, alegando que la empresa eliminó las comunicaciones internas de los empleados que mencionaban la muerte de sus familiares en Gaza y llevó a cabo investigaciones sobre su uso del emoji de la bandera palestina.

La demanda también alega que Meta no llevó a cabo investigaciones similares para los empleados que publicaban emojis de banderas israelíes o ucranianas en contextos similares. Meta no respondió de inmediato a una solicitud de comentarios sobre las acusaciones de Hamad.

Críticas a Meta por su desempeño en la moderación de contenido

Las acusaciones de Hamad reflejan críticas de larga data de grupos de derechos humanos sobre el desempeño de Meta en la moderación del contenido publicado en sus plataformas sobre Israel

y los territorios palestinos. La empresa encargó una investigación externa en 2024 sobre el tema. Desde el estallido de la guerra el año pasado, la empresa ha enfrentado acusaciones de que está suprimiendo expresiones de apoyo a los palestinos que viven en la guerra. Conflictos estallaron en Gaza después de que los militantes de Hamas atacaran dentro de Israel el 7 de octubre, matando a casi 1,200 personas e iniciando una crisis humanitaria.
