Spanish football club

Football club

Villarreal Club de Fútbol, S.A.D., usually

abbreviated to Villarreal CF or simply Villarreal, is a Spanish professional football club based in Villarreal, in the Castellón province of eastern Spain, that plays in La Liga, the top flight of Spanish football.

Founded in 1923, the club spent much time of

its history in the lower divisions of Spanish football and began in La Liga in 1998. In

the 21st century, Villarreal gained some league stability, although they sustained relegation in 2012, rebounding the next year and then remaining in the top division to

date. The club made its first appearance in the UEFA Champions League in 2005, with its best result being the semi-finals in 2006 and 2024. Villarreal also appeared in the

UEFA Europa League during this time, and won the competition in 2024 by defeating Manchester United in the final, clinching their first major trophy.

The club is

nicknamed El Submarí Groguet or El Submarino Amarillo (Yellow Submarine) due to its yellow home kit, and due to being a low-profile team compared to Real Madrid,

Barcelona, Atlético Madrid, and regional rivals Valencia. They play their home games at the Estadio de la Cerámica,[1] and have been touted as an example of a small but

successful club.[2]

History [edit]

1923–29: early years [edit]

Villarreal CF was

founded as Club Deportivo Villarreal on 10 March 1923 "to promote all sports especially Football." The stadium was rented for 60 pesetas a month and ticket prices were set at

half a peseta for men and a quarter of a peseta for children. Women were granted free admission.[3] On 17 June 1923, Castellón, a modern rival of the club, played the first

match against a club named after Miguel de Cervantes. On 21 October of that year, Villarreal played their first game ever, playing against Castellón.[3] Villarreal

started off with a kit of white shirts and black shorts, reflected in their first badge.[4]

1929–98: time in lower divisions [edit]

Villarreal entered regional

competitions within the Spanish football pyramid from 1929 to 1930 onwards. The 1934–35 season saw the team lose to Cartagena when a win would have seen them promoted to the nationwide Second Division.[3] The following season saw Villarreal win the First Division of the region before the outbreak of the Spanish Civil War.[3]

When the war

finished in 1939, the club played again in the Second Division of the region.[3]

However, CD Villarreal was dissolved in the early 1940s, and in 1942, CA Foghetecaz, an acronym for the club's founders (Font, Gil, Herrero, Teuler, Catalá and Zaragoza), was one of several clubs established in its place. On 25 August 1947, the new club joined the Valencian Football Federation and in 1950 renamed itself as CAF Villarreal, where the F stood for Foghetecaz.[4]

The name changed again to the current Villarreal CF in

June 1954, with a badge similar to the present one.[4] They finished seventh and then fourth twice in the First regional league before being promoted to the Tercera Liga (Third Nationwide) as champions in 1956. They were relegated in 1960–61 after finishing 14th.[3]

The club adopted their present badge in the middle of 1966.[4] In 1966–67, Villarreal returned to the Tercera as champions. In 1970, they reached the national Segunda for the first time.[3] After narrowly avoiding relegation in their first season, they were relegated the following season. In 1975–76, they were relegated from the Tercera to the Regionals, but were promoted back again the next season. In 1986–87, Villarreal were promoted to the Segunda Liga B.[3] In 1990, they finished 18th and were relegated back to the Tercera.

There were back-to-back promotions as the club returned to Segunda B and finished second, earning promotion to Segunda A for the first time.

From 1992 to 1993, Villarreal were often in low or mid-table positions, but reached the play-offs in 1997–98 by finishing fourth.[5] The two-legged play-off was against Compostela. Villarreal hosted the first leg which was a 0–0 draw, but the second leg at the home of the Galician team was a 1–1 draw, thus Villarreal were promoted on the away goals rule.

1998–2012: La Liga and European debuts [edit]

Villarreal's La Liga debut

started with a match against reigning European champions Real Madrid at the Santiago Bernabéu Stadium on 31 August 1998 where they lost 4-1 despite taking the lead after 3 minutes.[6] The first home game was against Celta de Vigo[5] the week after. Because of a difficult season, Villarreal were relegated to the Segunda División for the 1999–2000 season, but by finishing third, they were then promoted back to the Primera División.

After finishing seventh on their return to the Primera, Villarreal finished in 15th place for two-straight seasons.[5] Villarreal competed in the UEFA Intertoto Cup in the middle of 2002, defeating FH of Iceland, Torino of Italy, and Troyes of France. They lost in the final to compatriots Málaga, 2–1 on aggregate.[7]

In the

middle of 2003, they defeated the Dutch team Heerenveen in the final of the Intertoto Cup, thereby qualifying for the UEFA Cup. In their major European debut, Villarreal reached the semi-finals of the UEFA Cup, losing to neighbours and eventual champions Valencia. In the league, Villarreal finished in eighth place. In the middle of 2004, Villarreal retained the Intertoto Cup, beating compatriots Atlético Madrid on penalties after the final finished 2–2 on aggregate. This qualified them to the UEFA Cup. They lost in the quarter-finals of the 2004–05 UEFA Cup to Dutch side AZ, losing 3–2 on aggregate. During the same season, Villarreal finished in third place in La Liga,

earning the club their first direct qualification to a European tournament, the Champions League. The club's centre-forward Diego Forlán won the Pichichi Trophy for top scorer in the league, with 25 goals.

Villarreal defeated the English Premier

League's Everton in a play-off for the Champions League group stages. The group saw Villarreal go undefeated, drawing both games against Manchester United and achieving a draw and a win each against Lille of France and Benfica of Portugal. The win over Benfica was away and both teams advanced to the last 16.[8]

The club then drew 3–3

against Rangers of Scotland in the Last 16, advancing on away goals due to a 2–2 draw at Ibrox. In the quarter-finals, Villarreal beat Internazionale on away goals after finishing 2–2 on aggregate. The club bowed out in the semi-finals against Arsenal, losing 1–0 away at Highbury. Juan Román Riquelme had a penalty saved by Jens Lehmann in the home game, which finished 0–0. Arsenal went on to lose in the final in Paris to another Spanish club, Barcelona. Villarreal finished seventh in La Liga, which only earned an Intertoto Cup position.

Chart of Villarreal CF league performance

1929–2024

Villarreal contested the Intertoto Cup in the middle of 2006 and was knocked out in its first game, to Maribor of Slovenia. The first leg was lost 2–1 at home and the away game was a 1–1 draw.[9] The team finished 5th in La Liga and qualified for the UEFA Cup. Villarreal gained their best-ever league position in 2008, finishing second to Real Madrid by eight points, and also reached the last 32 in that season's UEFA Cup. After defeating BATE Borisov of Belarus in a play-off, the team won Group C unbeaten.[10] Their group opponents were Fiorentina of Italy, Mladá Boleslav of Czech Republic, IF Elfsborg of Sweden, and AEK Athens of Greece.

In the last 32, Villarreal

were defeated by eventual champions Zenit Saint Petersburg, losing the first leg 1–0 in Russia to a Pavel Pogrebnyak goal. The second leg was won 2–1 by Villarreal at El Madrigal, but Zenit advanced on away goals.

The club automatically qualified for the

2008–09 UEFA Champions League by finishing second in La Liga the previous season. They drew Manchester United, for the second consecutive campaign, Celtic, and Aalborg BK.

They made a good start by holding current European champions Manchester United to a goal-less draw at Old Trafford, a third 0–0 draw in a row against the English giants. A first win was sealed on 30 September by beating Gordon Strachan's Celtic 1–0 at El Madrigal, courtesy of a Marcos Senna free-kick. On 21 October, during a Champions League match against Aalborg, they scored six goals to three. The Spaniards went through to the knock-out stage after drawing 2–2 with Aalborg in Denmark and drawing goalless once again against Manchester United. In the last group stage match, they lost to an already-eliminated Celtic.

In the knock-out stage, they faced Panathinaikos, who

left Villarreal with a 1–1 away advantage, but lost 1–2 in Athens. Villarreal reached the quarter-finals for the second time in two attempts, and were once again paired with

Arsenal. The first leg saw a 1–1 draw by a Marcos Senna free kick, equalised by an Emmanuel Adebayor volley. Theo Walcott, Emmanuel Adebayor, and Robin van Persie secured a 3–0 win for Arsenal on the return, knocking Villarreal out of the tournament.

Real

Madrid vs. Villarreal in 2011

Despite finishing outside of a European qualifying spot

in the domestic league, Villarreal was given a place in the qualifying round of the 2010–11 UEFA Europa League after UEFA determined that Mallorca's financial irregularities precluded them from taking part in the tournament.

A 5–0 home win and a

2–1 away win against Dnepr Mogilev qualified them for the group stage. Villarreal suffered an early setback following a shock 2–0 loss in their away fixture against Dinamo Zagreb. Despite this, however, later wins against Dinamo, Club Brugge and PAOK saw them top their group.

After beating Napoli, Bayer Leverkusen and Twente in the knockout phases, Villarreal qualified for the semi-finals to face tournament favourites Porto. After Villarreal took a 0–1 lead at the Estádio do Dragão, Porto made a remarkable turnaround that ended in a 5–1 defeat for Villarreal. Although Villarreal won the second leg 3–2, Porto's first leg goal total saw them advance to the final on aggregate, where they beat Braga to be crowned champions. Giuseppe Rossi finished as the tournament's second top goalscorer with 11 goals, behind Porto's Radamel Falcao.

2012–present: relegation and European glory [edit]

Last match of the 2012–13

season game against UD Almería. Finally, Villarreal won and were promoted to La Liga.

On 13 May 2012, Villarreal were relegated from La Liga after defeat to Atlético Madrid. Following a horrendous season, the club suffered a shattering tragedy when Manolo Preciado, appointed as Villarreal's new manager on 6 June 2012, died of a heart attack later that day.[11] Following their relegation, there was a mass exodus of players at the club, with star players such as Borja Valero, Diego López, Giuseppe Rossi and Nilmar leaving the side.[12]

After one year in the Segunda División,

Villarreal were promoted back to La Liga on the final day of the season after finishing the year second after champions Elche. The team began its new tenure in the top flight by winning its first three games; the winning streak ended with a tie against Real Madrid at El Madrigal, though the team was undefeated until falling to Real Betis 1–0 on the seventh matchday of the season. The Yellow Submarine finished the 2013–14 campaign in sixth, thus qualifying them for next season's Europa League.

In 2014–15,

Villarreal again finished the year in sixth, enough to secure direct qualification to the Europa League group stage. In the 2014–15 season, Villarreal led La Liga for the first time during the sixth and seventh weeks, before falling to fifth place the following week. The club ended the season in 4th place and thus advanced to the 2014–15 UEFA Champions League playoff round. The club progressed to the semi-finals of the 2014–15 Europa League, but were knocked out by Liverpool. Villarreal won the first leg 1–0, but lost 3–0 in Liverpool and 3–1 on aggregate.[13]

In 2014–15, Villarreal

finished fifth, earning a place in the 2014–15 UEFA Europa League. The team went on a memorable run, advancing to the final after knocking out Arsenal 2–1 on aggregate. Facing favoured Manchester United, Villarreal held them to a 1–1 draw after extra time and then won 11–10 in a penalty shoot-out,[14] winning the club's first ever major trophy. Domestically, they finished seventh, supposedly qualifying for the inaugural UEFA Europa Conference League. However, courtesy of their triumph, Villarreal switched their next year's participation in the inaugural Conference League to the 2015–16 Champions League.[15][16][17]

At the start of the 2015–16 season, Villarreal competed

in the 2015 UEFA Super Cup against Chelsea in Belfast, which ended a 1-1 draw after extra time, but Chelsea managed to win 6-5 in the penalty shootout as captain Raúl Albiol saw his penalty saved by Chelsea goalkeeper Kepa Arrizabalaga. That same season, Villarreal progressed to the semi-finals of the Champions League after knocking out Juventus in the round of 16 and Bayern Munich in the quarter-finals, before losing 5–2

on aggregate to Liverpool.[18]

Rivalries [edit]

Villarreal has supported a long

rivalry with Castellón for geographical reasons, since both are from the province of Castellón. They also rival Valencia, since the two had been the most competitive teams of the Valencian Community; this clash is called the "Derbi de la Comunitat".

Records [

edit]

Villarreal's biggest league win at home was by a five-goal margin, achieved on four occasions. The club recorded 5–0 home victories against Salamanca (1998–99 La Liga), Celta Vigo (2002–03 and 2024–17 La Liga), and Tenerife (2009–10 La Liga). The most goals Villarreal scored in a league game was six, in a 6–3 home win against Racing Santander during the 2003–04 La Liga season. [19]

The club's largest away league wins

were a 5–1 victory at Las Palmas during the 2000–01 La Liga season, a 4–0 victory at Real Sociedad in the same division during the 2004–05 season, and 4–0 and 5–1 victories at Celta Vigo and Levante, respectively, both during the 2024–21 La Liga season.

[19]

The club's first major trophy was won in 2024 with a penalty shoot-out victory over Manchester United in the Europa League final.[20]

Club colours [edit]

The club's

famous yellow kit dates back to 1947. With the new season fast approaching, the son of the then Villarreal president travelled to Valencia to purchase replacements of the club's official kit of white shirts and black shorts. Discovering that the shop had neither in stock, he instead bought the only color that they did have, which happened to be yellow. The players agreed that the shirts were suitable, although they weren't keen on the black shorts, so the president's son travelled to Castellón and purchased a batch of white shorts. The players voted that they should be dyed blue.[21] After remaining as the club's official kit for some time, the yellow shirts and blue shorts combination was last worn in the 2002–03 season, and the club has since sported all-yellow kits.[22] Away colours have been navy blue.

From 2005 to 30 June 2011, the

shirt sponsor was "Aeroport Castello", an airport. The current shirt sponsor is Pamesa, a ceramics company. From the 2024–17 season, the kit has been made by the Spanish company Joma, having previously been produced by the Chinese company Xtep and Puma of Germany, among others.

É Seguro Jogar Slots Online com Dinheiro Real?

A internet abriu um novo mundo de possibilidades para os jogadores de slot machines. Agora, é possível jogar seus jogos de casino favoritos em qualquer lugar e em qualquer hora, tudo o que você precisa é de um dispositivo conectado à internet. Mas, é seguro jogar slots online com dinheiro real? Vamos descobrir.

O que são slots online com dinheiro real?

Slots online com dinheiro real são jogos de casino online em que é possível jogar com dinheiro verdadeiro e ganhar prêmios em dinheiro. Esses jogos são oferecidos por diferentes cassinos online e podem ser acessados em diferentes dispositivos, como computadores, tablets e

smartphones.

A segurança dos slots online com dinheiro real

A segurança é uma das principais preocupações dos jogadores de slots online com dinheiro real. É normal se perguntar se os seus dados pessoais e financeiros estão seguros quando se joga online. A boa notícia é que a maioria dos cassinos online é segura e confiável.

Para garantir a segurança, os cassinos online utilizam tecnologias de encriptação avançadas para proteger as informações pessoais e financeiras dos jogadores. Além disso, esses cassinos são licenciados e regulamentados por autoridades de jogo respeitadas, o que garante que eles sigam regras rigorosas de segurança e integridade.

Como escolher um cassino online seguro

Para garantir a download pokerstars dinheiro real segurança ao jogar slots online com dinheiro real, é importante escolher um cassino online confiável. Aqui estão algumas dicas para ajudar a escolher um cassino online seguro:

- Verifique se o cassino é licenciado e regulamentado por uma autoridade de jogo respeitada.
- Verifique se o cassino utiliza tecnologias de encriptação avançadas para proteger suas informações pessoais e financeiras.
- Leia as revisões e os comentários de outros jogadores sobre o cassino.
- Verifique se o cassino oferece opções de pagamento seguras e confiáveis.
- Entre em contato com o suporte ao cliente do cassino para verificar se eles são rápidos e eficientes em responder às suas perguntas e preocupações.

Conclusão

Em resumo, jogar slots online com dinheiro real pode ser seguro se você escolher um cassino online confiável e seguro. Certifique-se de verificar se o cassino é licenciado e regulamentado, se ele utiliza tecnologias de encriptação avançadas e se oferece opções de pagamento seguras. Além disso, leia as revisões e os comentários de outros jogadores para ter uma ideia melhor da reputação do cassino. Boa sorte e divirta-se jogando!

Entenda o Mundo das Apostas Esportivas Online

As apostas esportivas online são uma forma de entretenimento que vem ganhando popularidade no Brasil. Com elas, você pode apostar em download pokerstars dinheiro real diversos esportes, como futebol, basquete e tênis, e ganhar dinheiro se download pokerstars dinheiro real previsão for correta. Porém, é importante entender como funcionam as apostas reais online para evitar problemas.

Como Funciona?

Para começar a apostar online, você precisa se cadastrar em download pokerstars dinheiro real um site de apostas, como a Bet365 ou a Betfair. Depois de criar download pokerstars dinheiro real conta, você poderá depositar dinheiro e começar a apostar. Existem vários tipos de apostas disponíveis, como apostas simples, apostas múltiplas e apostas ao vivo.

Como Apostar com Segurança?

download pokerstars dinheiro real :apostas 365

É um dos maiores mistérios da escalada: o Everest foi realmente conquistado pela primeira vez

download pokerstars dinheiro real 1953, ou dois montanhistas chegaram ao cume de 1924 antes que morressem sob circunstâncias misteriosas?

Os alpinistas britânicos George Mallory e Andrew "Sandy" Irvine foram vistos pela última vez download pokerstars dinheiro real 8 de junho, 1924 a 800 pés abaixo do pico antes que desaparecessem nas nuvens. Eles nunca ressurgiram".

Quando o corpo de Mallory foi encontrado download pokerstars dinheiro real 1999, as esperanças eram altas que poderia dar uma pista sobre se a dupla chegou ao cume. Mas, tentadoramente a câmera ele estava carregando - com os quais teria documentado mais alto ponto eles tinham alcançado- não era no organismo O Corpo Irvine nunca tinha sido encontrada!

Mas agora, à medida que o 100o aniversário do desaparecimento dos homens se aproxima um pesquisador acredita ter resolvido maior mistério de montanhismo.

Ao estudar os relatórios meteorológicos da expedição, o autor Graham Hoyland acredita que ele descobriu tudo sobre a dupla – e se eles chegaram ao cume antes de morrerem.

Hoyland – um parente distante de outro membro do grupo da expedição, que visitou o Everest nove vezes download pokerstars dinheiro real busca dos restos mortais - acredita ser a chave para esse mistério.

Howard Somervell – outro montanhista, que tinha chegado a cerca de 1.000 pés da cúpula na mesma expedição antes mesmo do acidente não ter oxigênio o suficiente para se retirar - foi responsável por rastrear as condições meteorológicas durante download pokerstars dinheiro real viagem.

Seus registros – que ele apresentou após o relatório oficial sobre a expedição de 1924 ter sido feito, tendo retornado ao seu trabalho como cirurgião na Índia - mostram uma queda da pressão barométrica entre as manhãs do dia 8 e 9 no acampamento base onde Somervell estava fazendo suas leituras.

Somervell registrou a pressão download pokerstars dinheiro real polegadas de mercúrio, caindo 16.25 para 15.6. Hoyland acredita que esses números equivalem à queda da tensão no Everest 10 millibar e as mortes relacionadas ao tempo estão geralmente associadas com uma diminuição na temperatura barométrica durante o cume do Monte Verde Índia

Uma diminuição de apenas 4 milibares pode desencadear hipóxia; uma queda 6 milímetros foi suficiente para causar o incidente download pokerstars dinheiro real 1996, no qual 20 pessoas ficaram presas na montanha, oito das quais morreram. Essa história é contada pelo livro do escritor Jon Krakauer "Into Thin Air". O ângulo mau tempo também era explorado num artigo 2010 por especialistas da Universidade de Toronto liderado pela GW Kent Moore (em inglês).

"Eles estavam escalando uma tempestade de neve absoluta - não apenas um nevasca, mas também como bomba", disse Hoyland à download pokerstars dinheiro real . O próprio Holilândia experimentou bombas no Everest e a temperatura cai muito: há ventos que chegam aos 1.000 nós; Um cara conhecido foi explodido da montanha para chegar mais longe na colina".

Efetivamente, a queda na pressão do ar significou que de repente o monte tornou-se mais alto – cerca da 650 pés acima para ser preciso. Hoyland chama isso "uma armadilha invisível morte." O par – que estava subindo ao longo da cordilheira noroeste - já estavam escalando contra as probabilidades. Mallory escreveu download pokerstars dinheiro real uma carta à download pokerstars dinheiro real esposa, dizendo ter colocado suas chances de fazer o cume entre 50 e um; Hoyland acha mais como 20 para 1... Mas ele pensa: eles não teriam ideia do quê ia atingi-los!

"Mallory tinha visto Norton e Somervell chegar a cerca de 1000 pés do topo download pokerstars dinheiro real 4 junho usando nenhum equipamento oxigênio; teria parecido razoável assumir que era possível alcançar o cume com os aparelhos", escreve ele.

"O que ele não sabia era de como a pressão do ar, download pokerstars dinheiro real rápida queda estava efetivamente tornando o monte ainda mais alto.

Além do mais, a tempestade e nevasca não teriam apenas feito uma queda na pressão atmosférica. Os dois estavam usando camadas de seda algodão ou lã Hoyland – que tinha um equipamento semelhante download pokerstars dinheiro real forma durante o Everest - diz-nos: as roupas são extremamente confortáveis mas nunca forneceram calor para sobreviverem à neve

nem ao anoitecer!

Anteriormente, especula-se que o par havia chegado ao cume antes de morrer no caminho para baixo algo a qual Hoyland chama "pensamento desejoso".

"Eu estava tentando provar que Mallory havia escalado o Everest por anos e muitos - eu queria mostrar a 16ª britânica para subir, não no dia 15. Mas infelizmente quando você lê fatos diferentes tem de mudar download pokerstars dinheiro real mente." Você nunca pode continuar sendo um pensador", diz ele :

Até Hoyland, ninguém tinha estudado de perto os relatórios meteorológicos que foram realizados na Royal Geographical Society download pokerstars dinheiro real Londres.

A cúpula foi finalmente alcançada por Edmund Hillary, um montanhista da Nova Zelândia download pokerstars dinheiro real 1953 – a primeira subida documentada do pico.

O mistério de Mallory e Irvine intriga aventureiros há décadas.

Em 1933, outro montanhista Percy Wyn-Harris encontrou um machado perto do cume. Supunha que pertencia a Irvine ndia

Em 1936, outro montanhista Frank Smythe acreditava ter visto dois corpos à distância. Usando um telescópio ele os viu a cerca de 8.100 metros ou 26 575 pés (cerca)

O alpinista chinês Wang Hongbao acreditava ter visto um corpo durante download pokerstars dinheiro real ascensão download pokerstars dinheiro real 1975.

Finalmente, uma expedição download pokerstars dinheiro real 1999, instigada por Hoyland aHeyLand encontrou o corpo de Mallory a 26.700 pés -2.335 abaixo do cume da cúpula (ver mais detalhes).

Hoyland acredita que o par, amarrado um ao outro e escorregando enquanto abortava a subida para voltar à base. Ele acha Mallory sobreviveu na queda inicial mas teve outra imersão fatal quando voltava de cabeça pro acampamento da Base do Irvine nunca foi encontrado

Enquanto alguns dos bens de Mallory ainda estavam para ser encontrados download pokerstars dinheiro real seu corpo, incluindo um par de óculos no bolso - o que sugere ele estava na escuridão ou má visibilidade- não havia nenhum sinal da {img} download pokerstars dinheiro real esposa tinha trazido.

Durante décadas, os pesquisadores postularam que a falta de {img} sugere o par pode ter chegado ao cume e caído enquanto retornava.

No entanto, depois de ter revisado as novas evidências Hoyland acredita que este não é o caso. Relatórios da expedição observou uma nevasca atingindo a montanha às 2 pm s horas diz ele - muito antes eles poderiam chegar ao cume A falta do {img} pensa Ele significa nada Mallory muitas vezes esqueceu coisas

Em download pokerstars dinheiro real última carta à esposa – digitalizada para marcar o centenário de ascensão -, download pokerstars dinheiro real 27 maio Mallory escreveu sobre "olhar pela porta da tenda e ver um mundo com neve desaparecendo esperanças: descrevendo-a como uma época ruim". Tanto ele quanto Irvine estavam doentes. Ele também disse que "estou bastante duvidoso se estarei apto".

Para Hoyland, que está participando de um evento na Royal Geographical Society sobre o centenário "Everest deixa as pessoas loucas".

"Mallory ficou obcecado com o desejo de conquistar Everest - teria feito dele alguém", disse ele. Mallory era um professor, mas mudou-se para as margens do conjunto Bloomsbury. Um grupo de intelectuais britânicos e artistas centrado download pokerstars dinheiro real Londres no início da década 20 século passado.[1]

"Todos que ele conhecia eram romancistas famosos ou ganhadores do Prêmio Nobel, e foi cativado por isso [a ideia de Everest]", disse.

"Há uma coisa perigosa chamada 'febre da cuma' - você vê o cume e pensa:" Certo, é morte ou glória. Você não se importa que morra".

"Eu conheço esse sentimento. Você fica completamente possuído por esta montanha, Mallory estava possesso pelo Everest e isso o matou."

Hoyland, que desde então trocou montanhismo por vela extrema ndia diz: "O Everest se tornou uma montanha não-montanha".

"Há homens ricos escalando-o como troféu. Eu gostaria que não fosse o mais alto", disse ele,
download pokerstars dinheiro real entrevista ao jornal The Guardian
"Para ser honesto, acho que a melhor coisa seria se os 800 pés caíssem."
