Best Online Slots UK

Online slots come in many different themes and formats - and they boast a range of innovative features that are constantly improving. Here at Pink Casino, it's our passion to bring our players the best of the best online slots. It's why we release between 12-15 new online slots per month, but only after our specialist team at Pink HQ have spun the reels and given them our quality stamp of approval.

We

work with a selection of different developers that create slot games for the industry. We'll explain a little bit about these developers later on.

In this article, we're

going to explain why we think Pink Casino has the best online slots & online casino games - and why we think you'll love playing these top-rated titles. Before we delve in too deep, we wanted to show you some of the biggest and best games that are on offer at the minute - and we'll keep this updated to ensure you're always seeing the top online slots in the UK:

What is the Best Online Slot Game?

Particularly for players that are

new to playing online slots, it can be difficult to know which game to play given that there are literally hundreds of them on offer here at Pink Casino. To help narrow down your search, whether you're a new Pink Player or a seasoned one, we've come up with a list of some of the best, most popular, and top-rated online slots on offer. This isn't a comprehensive list, however, and there are plenty more to choose from - but this makes for a great starting point:

Rainbow Riches

One of the best online slots in the

UK, Rainbow Riches is an Irish-themed slot game created by Barcrest. It's got 5 reels and 3 rows with 20 paylines, coming complete with an engaging theme and plenty of animations - not to mention that incredible jackpot prize! Land the golden leprechaun on the reels 5 times or more and you'll instantly get a 500 coins jackpot.

The Rainbow

Riches slot was so incredibly popular with casino fans that it spawned a hugely successful series of top rated slots - so there is more than just the original game for

players to spin through if they like their slots green, Irish, and packed full of potential rainbow-imbued payouts! This is another of the top rated online slots available at Pink Casino that has had a longstanding position as one of our most popular slots since it originally launched on our website!

Some of the features that we

think are of particular interest to our players include the generous offering of bonus features - including pick-me bonuses, multipliers of up to 500x, and Wilds that can help contribute to winning paylines. The game is also topped off with a quirky leprechaun mascot that will appear at times on the reels to trigger one of the aforementioned bonuses!

The symbols all tie in with the Irish theme nicely with the top-paying being the golden coin which also serves as the Wild. The other symbols sitting at the top end of the paytable are all game-exclusive {img} that have the biggest payout potential whereas the low-value symbols are a little more generic but have a great Celtic twist in their style.

[Starburst](#)

Another top

rated online slot that you might have heard of while playing in our online casino is the spacefaring Starburst slot. Gems fly across the reels for the chance to create some dazzling payouts with a simplistic gameplay format that is ideal for those players that aren't interested in overly complex feature-filled slot games. If you would rather play a slot with base game that is unique and diverse with plenty of potential for prizes on its own, Starburst is an excellent title to choose. It often makes the list of top slots for beginners. The gameplay is intuitive and interactive, while the maximum payout gets to a cosmic cosmic level of 50,000x!

This quality video slot is powered by

NetEnt and boasts a fairly traditional 5 reels and 10 paylines. It's been one of the biggest and most popular online slots for years and it's not hard to see why. There's a fantastic 'win both ways' engine that means players can land winning combinations from both sides of the reels. There's also the Starburst wild feature, as well as expanding wilds, which both help with adding a bit more variety to your gameplay.

[Starburst](#)

[Cleopatra](#)

Another recognisable title is Cleopatra slot, an Egyptian-themed game created by IGT. This was one of the first slots that appeared in the Vegas casino floors and it's still very popular today. It's a 5 reels 20 payline online slot game.

Triggering the Cleopatra bonus will activate Free Spins automatically and there are 15 extra Free Spins to be caught. Five Cleopatra symbols will land to reap the maximum reward.

[Play Cleopatra](#)

[Book of Dead](#)

Another Egyptian slot called Book of Dead, which was made famous in land-based casinos, is also available at Pink Casino. It combines a traditional appearance with some very modern potential payouts which have both contributed to putting Book of Dead firmly at the top of our list of top rated online slots. This game is so well-loved that it even features as one of the top Vegas slots, so its popularity is international - a great indicator that the game is high-quality!

So, what can you look forward to when you play the top rated Book of Dead online slot? Well, first and foremost, we think that the free spins casino bonus is one of the biggest draws of this game - by landing 3 Scatters or more on the reels in a

single spin you'll be awarded a fantastic 10 free rounds of gameplay to spin through. These spins are valued at the bet that triggered the feature - so it's equal to the value of your previous spins!

The graphics are also a big plus for the players that like the traditional aesthetic that can be found at a land-based casino - plus, with up to a generous 5,000x your stake available to win this is more than just a delight to look at.

Play Book of Dead

Razor Shark

Modern graphics and an eerie subaqueous setting form the first impressions for the Razor Shark slot, designed to combine high payout power with immersive gameplay that is completely user-friendly. There are no convoluted bonuses to speak of in this title - only powerful bonus rounds that could award incredible prizes. Wins can reach heights of 2,500x on this set of undersea reels - just watch out for the predators that can smell a win a mile off...
