## **Emmanuel Macron, presidente de Francia, viaja a Nueva Caledonia para abordar las revueltas**

El presidente de Francia, Emmanuel Macron, tiene mucho 9 en su plato. Las elecciones europeas se avecinan rápidamente y se prevé que su partido pierda. Hay una frenética preparación 9 de los Juegos Olímpicos en París. También se está llevando a cabo una persecución por un recluso cuya evasión audaz 9 y letal ha conmocionado al país.

Sin embargo, el último lugar donde muchos esperarían encontrar a Macron sería en un avión 9 hacia uno de los territorios de Francia en el Pacífico, donde han estallado disturbios durante toda la semana. Pero ahí 9 estaba, llegando a Nueva Caledonia el jueves con tres ministros, en una misión para sanar y escuchar en un territorio 9 donde muchos lo consideran personalmente responsable del desorden.

"Vengo aquí con determinación para trabajar en el restablecimiento de la paz, con 9 mucho respeto y humildad", dijo cuando llegó.

## Contexto:

Los disturbios fueron desencadenados por la perspectiva de una votación la semana pasada en 9 la Asamblea Nacional en París para ampliar los derechos de voto en el territorio. Muchos en la población indígena local 9 temen que la ley dificulte el largo proceso hacia la independencia.

Macron tiene la intención de reunirse con funcionarios locales y 9 activistas de la sociedad civil, agradecer a la policía y comenzar una ronda de diálogo antes de regresar rápidamente a 9 un avión y regresar más de 10,000 millas a la Francia continental.

El viaje, de muchas maneras, es típico de Macron. 9 Siente que cualquier disputa, sin importar cuán acalorada, se puede resolver a través del diálogo personal con él. Pero dada 9 la desconfianza local del gobierno, muchos creen que su viaje no solo es corto, sino miope.

Fecha	Evento
2024	Macron insiste en celebrar el 9 tercer referéndum de independencia a pesar de las súplicas los líderes de la comunidad indígena Kanak para posponer la 9 votación debido a la pandemia de coronavirus.
Referéndum	El 97% de los votantes quieren que el territorio se quede en Francia, pero 9 solo el 44% de población votó.
Semana pasada	Votación en la Asamblea Nacional en París para expandir los derechos de voto 9 en el territorio.

El antropólogo Benoît Trépiéd argumenta que el gobierno está experimentando una "amnesia política irresponsable" y que los líderes 9 kanak no escucharán a Macron a menos que se comprometa detener la nueva ley y redactar un nuevo referéndum.
